

# CONSTRUCTION

Days

14 > 16 SEPT. 2021  
EUREXPO-LYON

THE CONSTRUCTION EQUIPMENT  
AND SOLUTIONS SHOW

YOUR NEW EVENT DEDICATED TO  
THE CONSTRUCTION SECTOR IN LYON  
IN SEPTEMBER 2021

**300**  
exhibitors

**10 ha**

**6 key**  
sectors

**10,000**  
visitors

Over the space of three days in Lyon, located at the crossroads of Europe and in the heart of a key region and an unavoidable market for building and public works contractors, **CONSTRUCTION DAYS** will offer an unprecedented platform for the construction and infrastructure sector.

A full-scale replica  
of a worksite,  
giving centre  
stage to  
innovation

**CONSTRUCTION DAYS** will allow the sector's leading players to showcase their innovative solutions on the replica of a construction site through 6 key sectors:

- Earthmoving, Demolition & Transportation
- Lifting & Handling
- Building sector
- Roads, Minerals & Foundations
- Concrete sector
- New Technologies

**100% live demonstrations,**  
**100% targeted contacts,**  
**100% prospective content**

Your opportunity to present, in real-life use conditions, all the functions, performances and innovation of your equipment and solutions. **Visitors will enjoy a memorable live experience in a convivial atmosphere!**

**10,000 specifiers,  
buyers and users of  
machinery will have  
access to:**

- demonstration rings,
- a vast outdoor exhibition area,
- and an indoor exhibition space.
